

Chaffee County does have a county resolution that deals with canines. Below is that resolution in its entirety. At this time Chaffee County does not have any resolutions that deal with the control of other domestic animals. Deputies will respond to just about any animal complaint but may be limited as to what they can do. If evidence exists that a violation of the below resolution occurred, officers can issue pet owners a citation for the violation. At this time deputies cannot transport canines in their patrol cars. If you have captured a stray dog, other arrangements must be made to transport it to the impound so the officer can take custody of the animal. Deputies will initially respond to most situations involving wildlife but most situations involving wildlife are handled by the [Division of Wildlife](#).
